### Editor's Remarks

Nothing much to say other than a thank you to those of you that supplied items for a Kamshaft..

Many thanks to Jim Carroll for once again for providing us with some interesting Cruise Nights during the months of June, July & August.

This month there is two parts to the Kamshaft so they had to be sent in two different e-mails.

**SUNDAY JULY 8th** The day started with another sell out crowd for our monthly Group Breakfast at Denny's. Our next breakfast is **September 8th** as the first Sunday is the Labour Day long weekend.

Following breakfast some of our club members went for a drive to Barriere for the Show & Shine/Swap Meet

others for the ice cream.

Club members Del Basaraba, Ray & Geri Henry and Robert & Wendy Sparrow had their cars on display

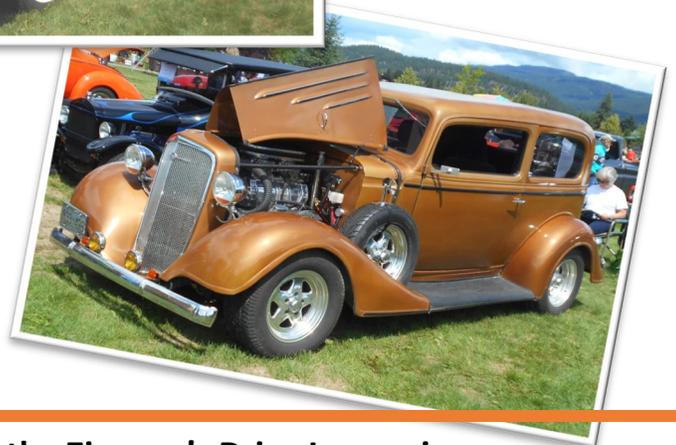

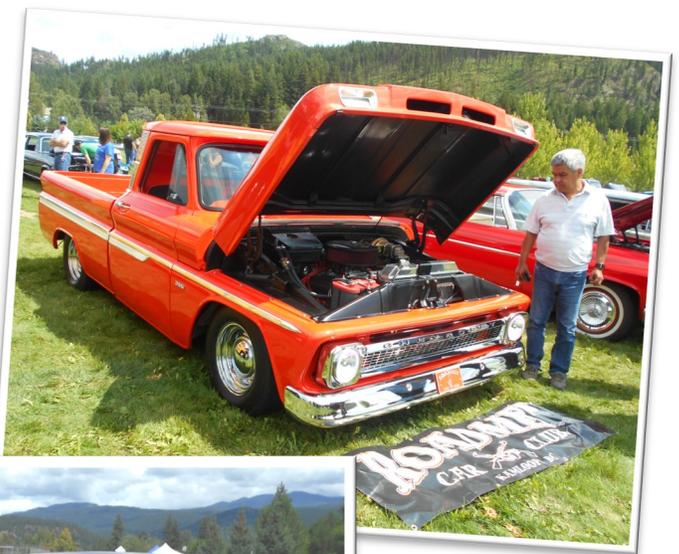

while Bill Lindsay had a booth in the Swap Meet part.

As the weather had been so unsettled that day the number of cars on display was down slightly from last year's show.

Hi Dave, in regards to the Zimmer's Drive In evening.

The weather was good and about 35 cars were on display. Zimmer had several cars in their show room.

There were about 4 Vintage cars on display and many makes of custom and modified machines. There was a steady flow of observers for the first 3 hours, and as darkness arrived the outdoor movie was presented.

I did not stay for it , but a large area was set aside for folks to set up their lawn chairs and observe. Amongst the folks that looked at my Pontiac were young couple who took many pictures. She asked if she could sit inside. I agreed and her partner took many more pictures. He told me that there were no cars such as these in his country. I asked where they were from? He said Iran. It was an enjoyable event. Please be discrete about distributing this email, – If Mr. Trump knew that there were Iranians in Kamloops he might take retaliatory action !!!!!

Regards to all and thanks for the Kamshaft. *Bob Chambers*

# BC COLLECTOR CAR DAY Lunch Friday July 12th

Sue and I decided that we would like to do something on this day so we made plans to drive out to the Tobiano Golf Course for lunch. I sent out an email and we had Andy & Carol Cordonier, Bill & Ann Kermod, Bob & Jeanne Chambers, Dick & Joy Parkes, Elaine Jones, Ernie & Marg McNaughton, Ken Finnigan, Ken & Marge Hoshowski, Lila Foley, and Stephen & Diane Way from the British Car Club join us. for a nice drive and relaxing lunch on the patio at the Golf Course. Following lunch some drove through out the sub division admiring the beautiful homes. It was suggested that we should do this again. So take it they had fun. ☺ *Dave*

***The boys had car discussions in the parking lot before leaving for Tobiano and Steve Way helped Ken Hoshowski locate his missing oil filler cap.***

# Harbour Front Cruise 2019

## at THE WHARF Salmon Arm

It was a beautiful day with a great setting for the cars on the grass.

Along with the cars they had entertainment, displays, draws, car raffle tickets, and music (not too loud).

I did get to park my Ford on the grass at the entrance as I was not staying for the whole day. Kamloops Club Members Guy Arcand, Jason Tasko, Robert Sparrow and Steve Bell had their cars & trucks on display.

## CRUISE NIGHT July 18th.

Well it turned out another day of unsettled weather in Kamloops so our Cruise this night was a drive out on Westsyde Road.

While the boys discussed the situation Sue managed to get this picture of the rainbow in the valley looking towards Heffley Creek..

Then it was off to the DQ on the North Shore.

## CRUISE NIGHT July 25th.

his cruise took us to visit the residence at the Overlander Extended care. I think they had everyone in the building out to greet us. We manage to have vintage cars there so things worked out well as there is only so much room in their court yard.

## CRUISE NIGHT August 1st

On this particular night it was a drive out to visit Brian Kelly's "Kelly's Caboose" Antique Store in Savona.

The following members came for the drive: - Craig & Marlene Beddie, John & Niki Bone, Allen & Brenda Barden, Jim Carroll, Terry Davidson, Janice Gillis, John & Lila Foley, Elaine Jones, Doug McCloy, Ernie & Marg McNaughton. and Ken & Marge Hoshowski.

It was through Brian that the club got the 1932 Haynes-Anderson bus which is currently stored on Jim Carroll's farm.
